Re: Investigation to Explore the Potential for Geologic Carbon Sequestration for  
Carbon Dioxide produced by Wisconsin's Electricity Generation Fleet  
Docket No. 5-EI-145

Dear Judge Marion:

Pursuant to Wis. Stat. § 227.44 and Wis. Admin. Code § PSC 2.21(1), we hereby request that Madison Gas and Electric Company (MGE) be admitted as a party to the above-referenced docket. As a Wisconsin public utility, MGE's substantial interests may be affected by the Commission's action or inaction in this proceeding.

In addition, MGE satisfies the requirements for permissive intervention set forth in Wis. Admin. Code § PSC 2.21(2). Given its experience with the matters to be addressed in this docket, MGE's participation will promote the proper disposition of the issues, and will not impede the timely completion of the Commission's investigation.
